

Do you want a job as a healthcare professional?

Apply to Cambridge Community Learning Center (CLC)'s
**Free Certified Nursing Assistant
(CNA) Training Program**

March 7 – June 17, 2022

Classes meet 3 times a week in Cambridge and Milton

12-week program offers:

- Hands-on experience with equipment and technology
- Clinical placements at top hospitals and clinics
- Job readiness classes to enter healthcare workforce
- Career advising to secure a job upon graduation
- Extra support for CNA exam and state certification
- Dual enrollment with Laboure College of Healthcare
- Free transportation to Laboure's campus in Milton

Program Requirements:

Must be Cambridge residents, English speakers, and income-eligible. Priority will be given to applicants from the American-born Black community.

**Attend an information session in January
